Dear Parents,

We hope that you are having a wonderful start to the summer break. Reading is such a crucial part of a successful education ~ it affects all subjects. This year Calvary students are required to read one book from their teacher's summer reading list and complete the book report form included. A second book from the list may be read for extra credit. A book report worksheet is required to be filled out for each book. The book report(s) will be due on Friday, August 19th. This will be a great start in enhancing their reading grades. Any book report(s) turned in after the 19th will receive half credit. We are encouraging students to join the St. Tammany Parish Public Library Summer Reading Program and activities for chances to win prizes. Students are to choose books from the grade level list, which they will be entering for the 2022-23 school year. Thank you for supporting us as we work to ensure your child's educational success!
